

CITY OF PHOENIX

PROCLAMATION

Larry Hammond was what can be described only as a giant in the world of law. During his time as a lawyer he worked tirelessly to make our community better for everyone. One of his greatest accomplishments was founding the Arizona Justice Project. Larry worked hard to ensure that innocent individuals got the justice they deserved. Larry was not one to turn down a fight if it was the right thing to do. He will always be remembered for what he did for his community.

Larry played a very integral part in transforming our community and making sure it worked for everyone. Whether it was during his time clerking at the Supreme Court or helping the innocent here in our very own backyard, we could always count on Larry to do the right thing. It is certain that Larry will be missed however, we can keep his vision alive by ensuring an equal and just society.

NOW, THEREFORE, I, KATE GALLEGO, Mayor of the City of Phoenix, Arizona do hereby proclaim September 24, 2020 as

LARRY A. HAMMOND DAY
